

The New ITP **INERTIA**®

New ITP wheel for extreme conditions

The Carlstar Group announces the release of the new ITP branded Inertia® wheel.

The ITP Inertia offers both strength and style. Closer to OE offsets compliment the original vehicle design, offering premium fitment and handling in a true bead lock wheel. Built with ITP's Rock Armor inner wheel lip, the Inertia is the choice for extreme conditions.

PRODUCT FEATURES

- ITP Exclusive 'Rock Armor' inner wheel lip
- Closer to OE offsets for optimum fitment
- and performance
- Beadlock design insures outer bead stays seated in demanding environments
- Center cap and valve stem included
- Matte black finish with machined accents
